No. HS/RC/  
18<sup>th</sup> May, 2016

**Ref : "Invoking Masculinity through Medical Sciences: The Case of Tonic in Colonial Bengal"**

Dear Dr. Chatterjee,

I am pleased to inform you that the above mentioned project has been recommended by the Indian National Commission for History of Science at its meeting held on 13<sup>th</sup> April, 2016 for **one year**, subject to submission of satisfactory annual progress report. The exact recommendations for the financial year 2016-17 are as follows :

**Recommended for 1 year only with the facilities of One Research Assistant @ R.10,000/- p.m or Research Fellow @12000/ p.m. and Contingency & Travel of Rs. 60000/ p.a.**

**Suggested to conceptualize the problem in larger perspective and correct the wrong notions if any, considering the pre-colonial situation.**

If you accept the recommendation, kindly send us your letter of acceptance and a **"No Objection Certificate" (NOC)** from the Head of the Organization which is agreeable to operate the project fund on behalf of INSA. On receipt of your letter of acceptance and the **NOC** we shall be able to issue the sanction letter of the project to you with a copy to the Head of the host organization for information and necessary action.

With kind regards,

Yours sincerely,

  
(Madhvendra Narayan)
