Academic Session 2016-2017

Regulations relating to Post Graduate Courses of Study and Examinations under CBCS

[Approved by the Executive Council of the University in its meeting held on 18th January, 2016]

Preamble

In exercise of the power conferred upon it by Section 53 and 54 of Kazi Nazrul University Act, 2012 (West Bengal Act XIX. of 2012) the University makes the following regulations for postgraduate courses of study and examinations under the **Choice Based Credit System** with effect from the academic session 2016-17.

The ‘Choice-Based Credit System’, an internationally acknowledged system, aims at a paradigm shift from the teacher-centric to the student-centric education. This system allows flexibility in education system so that students depending upon their interests can choose inter-disciplinary, intra-disciplinary, ability enhancement courses and skill-based courses. The proposed curriculum endeavors to empower the students and help them in their academic pursuit to achieve overall excellence. With a view to achieving this objective, the CBCS strives to create a holistic curriculum. Thus, in addition to dedicated focus on a discipline through core courses, elective courses and skill enhancement courses have been added which will give students the freedom to choose courses from the same/allied/other disciplines of their interest. Special emphasis has been given to ability enhancement and skill development of students through elective courses under these domains. In CBCS, the answer scripts of the courses will be evaluated and conventional mark sheets will be replaced by grade cards.

3.4 Results

3.4.1 Grading on 7 point scale

Based on the performance of students, each student will be awarded **Grade** at the end of the semester following seven point grading system. The letter grades and the corresponding grade points** are as follows:

Grade	Percentage of Marks	Grade Point
'E'(Excellent)	90 - 100	10
'A'(Very Good)	80- Less than 90	9
'B'(Good)	70 - Less than 80	8
'C'(Above Average)	60 - Less than 70	7
'D'(Average)	50- Less than 60	6
'P'(Pass)	40 - Less than 50	5
'F'(Absent/Fail)	Below 40	0

**Further there shall be another grade 'I' (with Point 0) for students for whom disciplinary actions remain pending.*

*** to be implemented from the Batch of 2021-22*

3.4.2 Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

The Semester Grade Point Average (SGPA) will be computed in each semester as per the following formula

$$SGPA = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

C_i = The number of credits allotted to a particular course

G_i = Grade points corresponding to the grade awarded for the course

$i = 1, 2, \dots, n$ represent the number of courses in which a student is registered in the concerned semester.

The SGPA is rounded off to two decimal places.

The Cumulative Grade Point Average (CGPA) will be computed at the end of each semester as per the following formula

$$CGPA = \frac{\sum_{i=1}^n C_i S_i}{\sum_{i=1}^n C_i}$$

* C_i = Total credits of the corresponding semesters

S_i = SGPA of the corresponding semesters

$i = 1, 2, \dots, n$ represent the number of courses in which a student is registered in the concerned semester.

The CGPA is rounded off to two decimal places.

3.4.3 Illustration of SGPA & CGPA

Illustration: Semester Grade Point Average (SGPA)

Course	Credit	Letter	Grade Point	Credit Point
	(C_i)	Grade	(G_i)	($C_i \times G_i$)
CC - 1	5	E	10	50
CC - 2	5	A	9	45
CC - 3	5	B	8	40
CC - 4	5	D	6	30
CC - 5	5	C	7	35
Total	25			200

$$\text{Thus SGPA (} S_i \text{)} = \sum (C_i \times G_i) / \sum C_i = 200/25 = 8.00$$

Illustration: Cumulative Grade Point Average [CGPA]

Semester 1	Semester 2	Semester 3	Semester 4
Credit 25	Credit 29	Credit 30	Credit 24
SGPA 8.36	SGPA 7.80	SGPA 7.17	SGPA 6.0

$$\text{CGPA} = \frac{\sum (*C_i \times S_i)}{\sum *C_i} = \frac{25 \times 8.36 + 29 \times 7.80 + 30 \times 7.17 + 24 \times 6.0}{94} \\ = \frac{209.00 + 226.20 + 215.10 + 144.00}{108} = 7.26$$

$$\text{Thus, CGPA} = \frac{\sum (*C_i \times S_i)}{\sum *C_i} = \frac{794.30}{108} = 7.35$$

3.4.4 Conversion of SGPA/CGPA into percentage marks:

In case of a specific query by students/employers regarding conversion of SGPA/CGPA into percentage marks, the under mentioned formula is to be adopted:

The formula is: % of Marks = SGPA/CGPA x 10

3.5 Review of Answer Scripts:

3.5.1 A candidate may apply for Post-publication Review (PPR) of his/her answer-script(s) in the prescribed form and manner and a submission of fees prescribed for the purpose within the date as per notification to be issued by the Controller of Examinations immediately after the publication of result. Such applications must be checked and verified by the college(s) concerned as regards to the eligibility of the candidate(s) applying for review. All such applications must be forwarded by the Head/Coordinator of the department concerned to the Controller of Examinations.

3.5.2 There shall be no Post-publication Review of Continuous Assessment, Practical Papers, Viva and Project Work/Field Work, if any.

3.5.3 Post-publication Review (PPR) and Post-publication Scrutiny (PPS) of the same course(s) shall not be allowed.

3.5.4 Under no circumstance fees for Post-publication Review once paid be refunded.

3.5.5 A student may apply for review of as many courses he/she wants to do.

3.5.6 Finalization of Review Results: If the marks awarded by Post-Publication Review Examiner in a Paper do not exceed/reduce the original award by more than 20% of the marks obtained in that Paper, the average of the marks awarded by the examiner and the reviewer will be accepted as final marks in that Paper.

If the increase of marks exceeds or reduces by more than 20% of the marks obtained in that Paper as awarded by the examiner, the answer script is to be referred to the third examiner for re-examination. The marks so awarded by the third examiner will be compared with the other two marks awarded by the first examiner and the reviewer and the average of the two marks other than the least one will be awarded to the candidate applied for review.

However, while reviewing the script(s) if it is found that there was error in calculating total marks of the original award, the increase of marks to the full extent will be accepted as corrected original award of the candidate.

Any addition or subtraction of marks as declared by the University after Post-Publication Review shall be treated as final and shall be binding on the candidate. No further application for consideration of Post-Publication Review result shall be entertained.

The decrease in marks will not be accepted if such reduction results in the failure of a successful candidate who has secured already qualifying grade prior to review.

3.6 Scrutiny of Answer-scripts (PPS):

Post-Publication Scrutiny (PPS) does not imply re-examination or re-assessment of scripts but involve verification of scripts and records to ascertain –

- Marks have been assigned to each of the required number of answers made by an examinee as per instruction printed on the question paper;
- Totalling of marks awarded by the Examiners on the scripts/marks-slips, as the case may be, has correctly been done

3.7 Compensatory time for Person With Disability (PWD) Candidates:

3.7.1 PWD Candidates will be provided an extra time of 20 minutes for every hour of examinations subject to maximum limit of one hour as Compensatory time.

3.7.2 PWD Candidates will be allowed the use of a scribe (amanuensis) who holds lesser qualification than the candidate. Scribe is allowed to candidates (i) who have disability in the upper limbs or have loss of finger/hands thereby preventing them from writing or, (ii) who are blind or have impaired vision or, (iii) who are dyslexic or, (iv) who are autistic or, students who have some other kind of deficiency which the University authorities consider to be acceptable for getting scribes.

3.7.3 If a PWD candidate wants to avail compensatory time or scribe he/she must apply with all relevant documents to the Head/Coordinator during form fill up of each semester examination and the same application be forwarded by the Head/Coordinator to the Controller of Examinations in due time along with necessary documents.

3.7.4 In case, if it is found that a candidate has used the service of a scribe and/or extra time but

does not possess the extent of disability that warrants of use the service of a scribe and/or extra time, he/she will be excluded from the process of evaluation and legal action may be initiated by the authority in this regard.

3.8 : Breach of Discipline by any Examinee in connection with University Examination:

3.8.1: The Centre-in-Charge of any University Examination held at a centre will on his/her own or on the basis of reports received from the invigilator(s)/members of the visiting team as may be constituted by the Controller of Examinations and duly approved by the Vice-Chancellor expel a candidate from the examination hall debarring him/her from appearing in the examinations of the remaining subject(s)/paper(s), if the candidate is found copying or possessing any paper, book or such other incriminating material(s) or smuggling written answer scripts/loose sheets from outside. On expulsion, he/she will be debarred from appearing at the rest part of the examination and his/her paper on the day/ entire examination will be treated as cancelled.

3.8.2: Signature(s) of each of the expelled candidates should be obtained on the incriminating document(s) found in his/her possession and the same must be attached to the main answer script(s). If a candidate refuses to put his/her signature on the incriminating document(s) the invigilator(s)/members of the visiting team will certify the matter and the Centre-in-Charge will take immediate action on the basis of the certificate/report of the room invigilator(s)/members of the visiting team.

3.8.3: If, however, in the judgment of the Centre-in-Charge, a candidate is found to have committed an offence of a more serious nature, e.g., impersonation, use of filthy languages, undisciplined behaviour, threatening the persons connected with the examination duties and such other activities inside and outside the examination hall/room, the Centre-in-Charge will expel the candidate debarring him/her from appearing in the examination(s) of the remaining subject(s)/paper(s) and send to the Controller of Examinations a list of such candidates along with their answer scripts and a detailed report on the circumstances leading to the action taken by the Centre-in-Charge in a separate packet for record and for placement before the Committee of Discipline for further action.

In such cases as detailed in above paragraph the **Disciplinary Committee** duly constituted by the Vice-Chancellor may note the action, if already taken by the Centre-in-Charge, but will not lessen the penalty already given by the Centre-in-Charge. The **Disciplinary Committee**, however, may recommend further penal action to be taken against such candidate(s). If the Centre-in-Charge, instead of taking any action against such a candidate, forward the case along with the detailed report the **Disciplinary Committee** may take penal action as it may deem fit.

3.8.4 : When the Centre-in-Charge expels any offending candidate from the examination hall, as referred to in the rules above, the order/notification regarding such expulsion shall forthwith be circulated in all the examination halls by the Centre-in-Charge. Such order/notification shall provide that the offending candidate shall be debarred from appearing in the remaining subject(s)/paper(s). Such order/notification should be pasted on the Notice Board and a copy of the same along with the answer scripts and other documents are to be sent to the Controller of Examinations for subsequent issuance of order/notification including order of cancellation of the

entire examination of the candidate(s), to the concerned college for its implementation.

3.8.5 : If the candidates are found to consult or talk with each other or change their scheduled seats or exchange answer-scripts/loose sheets etc. during an examination in spite of warnings by the Centre-in-Charge/room invigilator(s), the Centre-in-Charge shall report the matter in details to the University against the concerned candidates together with the relevant answer scripts for placement before the Committee of Discipline.

3.8.6 : An examiner may forward to the Controller of Examinations of the University through the chairperson of the concerned examination or to the Controller of Examination directly if there is no chairperson in the concerned subject an explanatory report along with the relevant answer script(s) of the candidate(s) for placement of the same before the **Disciplinary Committee** if, in his/her judgment, the candidate/candidates has/have adopted unfair means in answering questions.

3.8.7 : If an examinee uses filthy languages against the Centre-in-Charge/Invigilators or Convener/Member(s) of the Visiting Teams or any person connected with the examination or resorts to indiscipline behaviour inside or outside the examination hall or undertakes any unfair means or violates the instructions for the examinees, the Centre-in-Charge may send his/her answer-script of that paper along with a report from the Invigilator(s) with his comment, if any. However, in such case, the examinee will be allowed to sit for the examination in the remaining paper(s)/subject(s).

3.8.8 : **Non-Submission of Scripts:** If an examinee appears at the examination but does not submit his/her answer-script, the matter should be noted in the Attendance Sheet. **A FIR should be lodged on the day with the local police station.** A report along with a copy of the said Diary and a statement from the Invigilator of the concerned examination hall must be sent by the Centre-in-Charge to the Controller of Examinations.
