Embassy of the United Kingdom in India

To whom it may concern,

Regarding: MD Senaul Haque, DOB 22nd September 1989, Passport Number N8873813

I am writing to confirm that **MD Senaul Haque** has been selected to present their poster on *Air Quality, Airborne Diseases and Sustainability: Interpreting Human Health taking Case Study of Kolkata, India* at the forthcoming Planetary Health Annual Meeting due to take place in Edinburgh, UK on 29-31 May 2018.

I would also like to inform you that selected from a pool of over 60 competitive applications submitted from around the world, **MD Senaul Haque** has been successful in securing a travel scholarship that covers the delegate's airfare, registration fees, accommodation at the Chancellor's court, Pollock Halls, as well as the spending money allowance. Most meals will also be provided as part of the conference.

The goal of the conference is to bring together a diverse group of students, investigators, instructors, policy makers, and other interested individuals who are committed to understanding and communicating the human health impacts of global environmental change. I would therefore be very grateful if you could approve this request for a UK visa so that **MD Senaul Haque** can contribute to this important event.

Should you have any questions, do not hesitate to contact us at any time.

Yours sincerely,

A handwritten signature in black ink that reads "Liz Grant".

Professor Liz Grant
Assistant Principal Global Health and Director, Global Health Academy
