Cologne, 27 June 2016

**Invitation letter for Sujay Bandyopadhyay,
born 13/07/1984, Passport No. N6882794 valid till 14/02/2026**

Dear Sujay,

I am very pleased to invite you to attend the summer school on Dates and Rates of Change in the Quaternary, which will take place in Blankenheim, (near Cologne, Germany) from 21st to 27th August, 2016.

(If it helps facilitate your travel arrangements, you can arrive up to two days earlier (from 19th August 2016) and stay in Germany for the period after the summer school during which you have a valid visa at your own expense. You would need to make your own arrangements, e.g. for accommodation.)

You have been selected from an international field of applicants on the basis of your motivation and qualifications. We think that you will contribute significantly to the success of this international event.

The summer school is organised by the Graduate School of Geosciences (GSGS), University of Cologne, and convened by Prof. Dr. Tibor Dunai and Dr. Georgina King (both University of Cologne). I, the undersigned, guarantee that the complete costs of your stay (board and lodging) in

Youth Hostel Burg Blankenheim
Burg 1
53945 Blankenheim
Germany

for the duration of the summer school (21st to 27th August, 2016) will be covered by GSGS funds. Apart from that, we offer you a Summer School Travel Grant of 550€ towards your travel expenses.

We look forward to your participation in the summer school.

Yours sincerely,

Karin Boessenkool
