SUB :- Internships Opportunities (Data Science) - FREE Webinar by Edyst

We are pleased to announce that Edyst is organizing a webinar on Data Science Internship.

In this session, **Aneeq Dholakia (Co-Founder Edyst)** will talk to students about:

- ❖ The internship opportunities available in the market and how to apply for them.
- ❖ Skills students must learn to make a successful career in the area of Data Science.
- ❖ How can students find a better job using their internship experience?
- ❖ How to host your internship project on GitHub and explain the same to the recruiter?

By the end of the session, students will understand the importance of an internship and the most efficient way of finding an internship.

Date: **19 Nov 2022**

Time: **6:30 PM**

Students are requested to follow the below mentioned links :-
